SE GLOBAL

DOMESTIC AND FOREIGN
TRADE LIMITED COMPANY

SE GLOBAL

DOMESTIC AND FOREIGN
TRADE LIMITED COMPANY

Our company exports seeds (pumpkin seeds, sunflower seeds) and walnuts from

Turkey to 32 countries in different continents such as Africa, Asia, Europe, South America and Ocean Islands. The command units were divided into two areas:

1-Seed and walnut export from Turkey

2-International logistics services

We define our company as a reliable manufacturer and supplier. A firm belief of good service and strong communication being the most important, as well as knowing the importance of regular and long-term promise

OUR PRODUCTS

PUMPKIN SEEDS

We plant, harvest and export the pumpkin seeds we produce in the most fertile soils all over the world with our 15 years of experience.

SUNFLOWER SEEDS

The most preferred and consumed seeds in the world!
We grow sunflower seeds in the size and weight you want in Turkey and bring them to the world.

WALNUT

Turkish experience with Ukrainian walnuts. We wholesale the healthy snack walnuts we produce in Ukraine, shelled or unshelled.

SUNFLOWER SEEDS

SUNFLOWER SEEDS

The most natural way to start the day full of energy is possible with quality sunflower seeds carefully grown and processed by SE Global. SE Global continues to be the choice of everyone looking for a healthy and delicious snack.

Quality Sunflower Seeds

SE Global takes care to produce quality sunflower seeds from the field to the table. Sunflower seeds grown from carefully selected seeds in the fields are meticulously processed by our expert team. In this way, we offer the freshest and most delicious sunflower seeds to your tables.

Healthy and Natural Production

At SE Global, we work with an understanding that respects nature and health. Our sunflower seeds are grown with natural and organic methods, free from harmful chemicals. In this way, we offer our customers a healthy snack while producing in an environmentally friendly way.

Wide Product Range

SE Global's sunflower seeds are available in a wide range of products. We cater to every palate with naturally roasted options in all sizes.

Wholesale Opportunities

For wholesale purchases, SE Global offers advantageous offers for wholesale sunflower seeds. We will be pleased to meet the demands of your business by selling wholesale at affordable prices without compromising our quality standards.
